

ACCESSORIES FOR THE DRILLING

From almost 30 years SG, started as an individual concern by its current founders, Mr. SGOLASTRA MAURIZIO and Mr. GIAMPAOLI ALDO, designs and plans a standard series of single- and double-acting cylinders, in addition to plunger cylinders. The firm stands out for his variety of drilling products described as follows:

- REVOLVING CLAMP
- GROUT INJECTION CONSOLE
- GROUT INJECTION PUMP
- PACKER
- WIRE ROPE SWIVEL DRILLING WINCH
